

Match Program

Q1-Q4 2024

We are extremely excited to announce the launch of the PMI Cares match program! You have the opportunity to raise funds for qualifying non-profits and have your donations matched by PMI Cares. Like all start-ups, we must start small and allow ourselves to grow from here. This allows us to keep the program active and scale it as our company grows. For Q1-Q3, we're offering 10 company matches of \$500 each, available from now until September. We will update this instruction sheet as we progress through the year and as more match funds become available for doantion.

How To Apply For Our Match Program:

Email the following information to Amy Hart (amy@pmicares.org), making sure to cc Sheryl McReynolds (sheryl@pmicares.org) on the email.

After we receive your email; PMI Cares board will then evaluate the nonprofit you've selected and the information that you provided, and will make a decision on whether to match your donations. If you are chosen to receive a PMI Cares match, a PMI Cares board member will contact you to get the information they need to send the match funds to your nonprofit.

We will highlight the chosen match recipients & nonprofits at Summit 2024 in Snowbird, Utah. We can't wait to share these with all of you!
